

B.E.L.L. SUMMER CAMP FOR LOW VISION STUDENTS

BRILLE ENRICHMENT FOR LITERACY AND LEARNING

Are you the parent, guardian, or teacher of a low vision child who would benefit from learning Braille? We have a wonderful opportunity for them this summer!

The BELL summer program is a two-week day program (weekends not included) designed to offer elementary age, low vision students an opportunity to be immersed in Braille and learn alternative nonvisual techniques through arts and crafts, games, field trips, and other fun activities.

This program will be led by successful blind role models and local volunteers. It is sponsored by the National Federation of the Blind of Georgia (NFBGA), in partnership with Living Independence for Everyone (L.I.F.E.) Inc. and the Savannah Association for the Blind.

Program Dates: August 1-12, 2011 (week days only)

Time: 9:00 a.m. - 2:00 p.m.

Location: Savannah Association for the Blind
214 Drayton Street
Savannah, Georgia 31401
