Free Parking

You need to go to:

<http://public.doe.k12.ga.us/it.aspx?PageReq=ETCLocDrivDir>

To download the driving directions and parking permits unless otherwise state above.

### **Armstrong Atlantic Directions below:**

Enter the campus at the traffic light at Abercorn St. (Hwy. 204) and Science Dr. Take an immediate right on University Dr. and follow it through the campus parking lot. Take the next available left and park in any space not designated as faculty/staff. University Hall will be straight ahead on the left, across from the residence halls. The ETTC is located in University Hall room 125.

### **Parking Permit**

You need to go to the Campus Police Station on the far left corner of the campus to get your parking permit when you arrive on campus.

### **CRSA ETC- Butler High School**

We are now located at Butler High School in Augusta.

The address is 2011 Lumpkin Rd, Augusta, GA 30906. Our lab and office is located in the Vocational Building (Building 300) on the second floor. If participants are facing the front of the school, the gym will be located on the right side of the school and the Vocational Building (300 Building – only two-story building on campus) is on the left side of the building. There is separate parking directly in front of our building. I am fine with you giving my name and cell number so that if someone gets confused they can call me.

Thanks.
